Chairperson

Dear parents,

It is hard to believe another school year is nearly over! It went so quickly and our children have grown and learned a lot! I feel honoured and privileged for the opportunity to send my heartfelt greetings to you all through the PTA Newsletter.

As we know our children are our future. We therefore owe them good academic and moral education which is the reason why as parents, we partner and support school. Education is not about reading and writing alone, it is about building a generation of future leaders, good-mannered and trustworthy children who will contribute their quota in Society building. This is what HKMA DLKP College presented and I testify to that in all sincerity. Therefore, participating with school activities are also one of our roles, my executive members and I attended the School Open Days, Sport Days, Parents Seminars, Hiking activity and etc., to enhance the spirit among school and families, teachers and student, parents and children.

In past few months, the Association organised activities such as PTA 13th Exco Inauguration Ceremony cum Feast Basin Dinner; Parents Tea gathering; those were satisfactory feedback. For the student welfare activities included monitoring lunch boxes performance, school uniform tendering and etc. Nevertheless, we believe there is room for improvement on our activities as partners in progress.

In here, I thank my PTA executive members for the good relationship and team work which makes our School a successful story. In addition, on behalf of the PTA Executive members, I would like to say a big thank to all our parents and let you know that your contributions are appreciated. Let me also express our sincere appreciation to the Principal, Mr. Lawrence Law, teachers and staff for their professional role, relating and interacting with parents and keeping up with the high standard of the school.

Last but not least, parents don't forget to join our upcoming activities, without your support we can't do anything!

**Best regards,
Regina Fung**

親愛的家長們:

很難相信這學年這麼快的即將結束！我們的子女相信也長大了不少，學會了更多！本人感到非常的榮幸，謹在此透過家教會通訊，在此送上我衷心的問候和感謝。

我們知道子女是我們的未來。因此，為他們提供良好的教育及道德標準，是作為父母成為合作夥伴和支持學校的首要目標。教育不但旨在讀和寫的學習，良好的品格和值得信賴的孩子，有助於將來社會的建設，成就未來的領導人。這都是李國寶中學提倡的，同時亦是我的願望。所以，參與學校活動也是我們的責任，委員和我都積極參與學校開放日，校運會，家長講座，遠足等活動等，以顯示家校、師生和父母子女的合作精神。

在過去的數個月裡，本會曾組織的活動，包括第十三屆家長教師會就職典禮暨盆菜晚宴;家長茶聚等，反應都令人滿意。在學生福利事項，包括飯盒供應商監管、校服供應商評定等。儘管如此，我們認為仍有改善空間，正等待閣下提供寶貴意見。

在這，本人感謝各委員的所發揮團隊精神以及任期內的優異表現，使我們的學校締造成功的例子。此外，本人謹代表家教會各執行委員，在此讚揚和感謝各位家長的參與和貢獻。此外讓我不忘以真誠的態度感謝本校羅校長、老師們和各職工的專業精神，並與家長互動，提供高質素的學校標準。

最後，請各家長積極參與來年活動，沒有你們的支持，再完美的畫作亦會欠缺應有的色彩！謝謝。

馮錦萍敬上

校長的話 Words from the Principal

Dear parents and friends of the College,

It is the College's mission to provide an all-rounded education for the total development of our students. Other than class based learning, the College also arranges a variety of learning opportunities as a means of fostering student centred development. To further broaden students' experiences and prepare them to participate effectively in the new global society, a world characterized by cross-cultural interaction and dynamic change, the College each year organizes overseas study tours. To date, our students have enjoyed linguistic and cultural immersion experiences in the UK, Australia, Singapore, Taiwan, New Zealand, France and several important world heritage cities in Mainland China.

This year, the study tours to Xiamen / Hakka Tolou, Taipei and Seoul were successfully held in November, January and February respectively. Due to the overwhelming response from the parents, another tour to Taipei was organized for the S1 students in April. These tours provided not only fun experiences for the students, but also meaningful context for the class-based curricula of different subjects. Starting from this year, the focus of the tours is on sustainable development. The itinerary of the tours will include

Unison Outstanding Progress Award on Chinese Language Learning for Non-Chinese Speaking Students

Experience Life in a Squatter Hut

learning activities and famous attractions that can show the sustainability of the city / place. For example, S1 students visited Yehliu Geopark in Taipei to see the formation of rare and stunning geological landscape with erosion rocks. They also visited the Taipei Public Library, the first building in Taiwan to receive the certification of **"Green Building"**, to see how its unique vertical design conserves energy by reducing the amount of heat-causing rays allowed to enter the rooms. While Hong Kong is still planning to build an incineration plant, students have already visited the Beitou Refuse Incineration plant to see how it promotes recycling of reusable resources, and continues reducing the negative impacts on the environments at the same time.

In addition, as part of the effort to promote environmental protection, the College encourages the participants of the study tours to join the FLY Greener Carbon Offset Programme launched by Cathay Pacific. They only need to pay a small amount of money to purchase "carbon offsets" to cover carbon dioxide emissions from the flights taken by them. All the money paid goes directly to the running of the projects that reduce or prevent carbon dioxide emissions, such as those focused on renewable energy.

We hope that study tours will strengthen students' ability to be independent, to enhance their self-confidence, to show respect to other cultures and the environment.

Best wishes

Lawrence Law

Special 專題 REPORT

中五的李配志是學校的小書法家，這兩年得過好些比賽的獎項，今年的家教會盆菜宴上大家也可能見過她寫的揮春。這一代的香港小孩很少對書法有認識更不用說有興趣學。到底是什麼吸引了她呢？一起來聽聽李同學的分享。

大家好！書法是我最大的愛好，同時，在我自己看來，它也是我最擅長的事情。我與書法緣分匪淺，第一次邂逅書法還要從我小時候說起。

在我5歲那年，我遇到一個老伯伯。他拿著一支毛筆，筆在他手中不停轉動，讓那時的我覺得特別新鮮有趣。當我再望向老伯伯紙面上出現的那些字，更是覺得它們好像一個個都有靈性一般，比平時我在書上見到的那些硬生生的方塊字，不知多了多少的動感和活力。老伯伯看見我目不轉睛的盯著他寫字，像是發現了我對這些字的喜愛，便問我，"小朋友，你想要學書法嗎？" 我連聲答好，直到現在回想起來，仍然能感受到當時那種激動的心情。

就這樣，我得以開始用自己的手親自體驗書法的美妙。書法也像朋友一樣，陪伴了我成長中的十年。雖然朝夕與這位"朋友"相處，但每一次欣賞它，我都似乎有不同的感受，真是一位百變的朋友！也正是因為這個原因，在將來的日子裏，我想更進一步，更系統的欣賞它，理解它，並且通過我的練習為它增光添彩。如果有機會的話，我希望能在它的發源地中國上大學，從源頭去領略它的美。

學校開放日暨 Open Day 宗教會籌款 開放日感言

陳淑華

開放日第一次負責做家長義工,心情非常緊張,怕幫倒忙,幸運地得到各老師,家長及義工同學的支持,由安排義工,檯椅,小食券等等各項分工都穩穩當當。

因小食攤非常受歡迎,有時忙得團團轉幸好同學們緊守崗位使得供應不斷,看到同學對工作的專注、滿足的笑容,有一個大團隊的感覺。借此感謝大家的付出及支持。

活動花絮
Activities Highlights

This is my first time participate as parent volunteer, I feel very nervous for being disservice. Fortunate, we have a good support from teachers, parents and volunteers; we can set up the snack booth smoothly.

There were lots of visitors and we are extremely busy showing our hospitality and serve the food to them. Let's give a big round of applause to our student helpers for being helpful, support and their effort for their duty.

家長講座 Parent Seminar

家長如何協助子女提升學習動機
How can parents help enhancing
children's learning motivation?

Although parents have tried different method and paid big effort to enhance children's learning motivation, but the outcome is still not obviously. It was our honor to invite Ms. Savan Fok (school counselor) to share the experience on this topic. She raised some cases that cause conflicts between parents and children for study. Most of the causes are the miss-communication and different expectation of from both parties. Concluded, the key point is to increase the communication between children, encouragement is more effective than punishment.

雖然父母已經嘗試了不同的方法和努力,以增強孩子的學習動機,但結果仍不明顯。我們很榮幸地邀請霍敏琪姑娘(學校的輔導社工)分享有關這主題。她列舉了一些例子,歸納導致父母與子女之間的衝突成因,大部分的原因是缺少溝通和不同的期望落差。得出改善的結論,關鍵的是要增加與孩子之間的溝通,鼓勵比懲罰更有效。

第十四屆運動會

The Fourteenth Athletics Meets

在今年的運動會裏，碰見了很多顆新星，包括初中的同學及家長們。他們在各項比賽裏，創造出優異的成績，打破紀錄，也激發起較高年級參賽同學們的鬥志。在同學們互相切磋之後，便是老師、家長與同學們一起競技的時間。是屆形式為4 x 60米賽跑，大家要在一個非常短的時間內跑到終點，在觀眾來看，只是一分鐘內的緊張和興奮，但對於每位參賽者來說，就像是一個慢長的經歷，對於我們平常很少鍛煉身體或跑步的家長就更甚。不過，最重要的是見證每位同學們的成長，與及與各位老師、家長及同學們的互動。

We were very glad to be able to witness the birth of a few athlete stars, including students and parents. They had broken a few records, and raised the spirit of numerous athletes competing for prizes and honour. After student competitions, teachers, parents and students participated in a relay game of 4 x 60m race. Just in a flash, spectators cheered up for their supported runners. However, to some competitors it was a very long journey, especially for those who seldom exercise their muscles or practice running. At the end of the day, we all enjoyed witnessing the growth of our fellow students and shared the joy with teachers, parent and students.

龍門徑一天遊

Outdoor Excursion
(Lung Mun Country Trail)

In order to share the joy of hiking among students, parents and teachers, the College's Hiking Club

and the PTA co-organized an outdoor excursion to Lung Mun Country Trail on March 22. More than 60 students, parents, teachers, alumni and their family participated. They started at Chuen Lung and walked along the Lung Mun Country Trail. They enjoyed the view of Tsuen Wan and took about 2 hours to walk to the Shing Mun Reservoir.

第十三屆家長教師委員暨團年盆菜晚宴

The 13th PTA Inauguration Ceremony and Dinner Party

第十三屆家長教師委員暨團年盆菜晚宴已於本年二月六日順利舉行，今年一方面感謝卸任之家長和教師委員以往所作出的貢獻，另一方面亦歡迎新一屆委員任職。

是晚參加人數踴躍，老師、家長和學生聚首一堂，座無虛席，本年繼續採用去年口碑好食物供應商，當然再次好評如潮。今年我們加入更多精彩節目，學生參與比去年更多，有歌舞表演、中國民俗服飾、寫揮春等等，增添了不少節日氣氛。

遊戲及抽獎環節也比去年多，獎品送不停，其中「收買佬」更令大家很快便投入現場氣氛，今年也非常榮幸再度誠邀了剛卸任家教會委員文佩玲女士為大家唱出幾首悅耳金曲作為壓軸，使大家有一個愉快難忘之晚上。

The 13th PTA Inauguration Ceremony and Dinner Party were held successfully on February 6th 2015. PTA committee took this opportunity to thank the contribution of ex-committees and welcome all new committees to join our family.

We had a great party as many teachers, parents and students joined together. We adapted last year tasty food supplier and it once again gave us all tasted delicious "Basin Feast" in traditional style. There were many new elements in this year. Students joined and took more responsibility in performance, such as dancing, traditional Chinese costume and red lucky banners Calligraphy, with enrichment of overall atmosphere.

Games and lucky draws were not less than last year, in which "Rag and Bone Man" game drawn all attention. All participants were amused by the atmosphere. It was our great pleasure to invite Ms. Jacqueline MAN again as singer of the grand finale, with several classical songs that gave us another good memorable night.

飯盒突擊檢測結果

Lunch boxes ad-hoc inspection results

In order to keep close monitoring the lunch boxes service, there were 3 ad hoc lunch boxes tasting arranged from Jan to Mar 2015. The PTA Executive members and selected parents who made complaints were invited to participate. The results of performance were satisfactory but still have room to improve, such as hotness and the portion of side dish. A follow up meeting with Danny Catering was held in May for the improvement.

為持續監察飯盒供應服務，決定於2015年第一季每月安排一次突擊試食。成員包括本會委員和曾作出投訴的家長，結果大致滿意但仍有改善空間，如飯盒溫度和伴菜等等。與丹尼飯盒供應商跟進會議亦已在五月份完成。

Consign new school uniform supplier

New Winter Jacket Design 新款校褸

As new school uniform suppliers had already been approved by PTA Exco. One of the suppliers has designed a new winter jacket for our students. The new jacket has a new contemporary style and look. The outer jacket is made of wind and water resistant fabrics, while the inner jacket is made of fleece. Both retained the navy blue traditional colour. Buttons replaced by zipper. Each can be dressed on individually, or combined for maximum warmth. More photos can be found at <http://www.hkmadavidli.edu.hk/pta/index.html>. Current plan is to launch the new design this winter (2015). Old design can still be used for a certain period until further notice. Parents may provide feedback and suggestions through the PTA hotline or email by 10th July, 2015. Student's feedback should follow any instructions provided by the Student Council.

由於家教會委員會已通過更換校服供應商，其一供應商已為同學們設計新款的校褸。新款採用現時流行的多功能設計，外層為防風防水薄褸，而內層為抓毛絨褸。兩者均保留海軍藍的傳統顏色，改用拉鏈，免除扣鈕，可獨立穿上，或兩者結合一起達至最佳保暖效果，更多相片已張貼於網頁 <http://www.hkmadavidli.edu.hk/pta/index.html>。新款校褸計劃於2015年冬季推出，屆時舊款校褸仍可使用一段時間，直至另行通告。家長如對新款校褸有任何意見，歡迎於7月10日前致電或電郵至本會表達，而學生意見可依照學生會指示表達。
