### Regarding the Financial Assistance Scheme 2017/18

#### **1. Objective of the scheme**

The scheme aims to help students who are most in need of financial assistance, so that they will not be deprived of the chance to study at our College solely because of financial difficulties in paying school fees. Eligible applicants will be granted full or half-level assistance.

#### **2. Content of the scheme**

- 2.1 In accordance with EDB requirements, our College will reserve at least 10% of the school's total school fee income to run a fee remission/scholarship scheme.
- 2.2 A simulation test is available on our College's web page so that parents can estimate the level of fee remission their children might be granted. Please note that, the test is for estimation purposes only, and the level of fee remission is **subject to the availability of funds under the scheme and the number of eligible applicants**. Owing to the limit set for such funds, the level of school fee reduction an applicant receives may be lower than that derived from the test.

#### **3. Eligibility Criteria**

- 3.1 The applicant must be the father, mother or legal guardian of a currently enrolled student of our College. If the applicant has more than one child studying at the College, only one application needs to be submitted.
- 3.2 The applicant must pass a means test.
- 3.3 The applicant must be in financial need, e.g. receiving Comprehensive Social Security Assistance or assistance provided by the Student Finance Assistance Agency (SFAA).
- 3.4 The applicant is advised to apply for an "Eligibility Certificate" from the SFAA before applying for this remission scheme.

## 5. The Means Test

5.1 Our College will use the “Adjusted Family Income” (AFI) mechanism as the means test to assess the eligibility of a family for financial assistance and the level of assistance. This mechanism is used by the Education Bureau (EDB) in assessing SFAA applicants.

5.2 The AFI mechanism is based on the following formula :

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + 1}$$

- Gross annual income of the family includes the annual income of an applicant and his / her spouse; 30% of the annual income of an unmarried child / children residing with the family if applicable; and contributions from relatives / friends if applicable.
- The members of a family normally refer to the applicant, his / her spouse, unmarried child / children residing with the family and the dependent parent(s) who are supported by the applicant and / or his / her spouse.
  - Dependent parent refers to applicant’s parents, including in-laws, who is not a recipient of the CSSA at the time of submitting the application. They must, throughout the normal assessment year (April 1, 2016 to March 31, 2017), meet any one of the following conditions for a continuous period of **not less than 6 months**
    - (i). resided with the applicant’s family; or
    - (ii). resided in premises owner or rented by the applicant or his / her spouse (i.e. Name of the applicant and / or his / her spouse should be shown on the relevant lease documents); or
    - (iii). resided in an elderly home and the expenses were fully paid by the applicant or his / her spouse OR totally supported by the applicant or his / her spouse.
- \* **The applicant or his / her spouse should continue to support their parent in the 2017/18 school year, and the status of support should be similar to that in the year of assessment. The applicant should provide supporting documents including a tenancy agreement, proof of residential address or a receipt from a home for the elderly, etc. for verification.**
- For single-parent families of 2 to 3 members, the “plus 1 factor” in the divisor of the AFI formula will be increased to 2.

5.3 If applicants are dissatisfied with the result of their assessment, they may apply in writing to the College for re-assessment, providing detailed justifications and any documentary evidence in support of their application. The application for re-assessment must be duly signed by the applicant. Re-assessment result will be announced by writing within one month.

## 6. Levels of Assistance

The AFI eligibility benchmarks for various levels of assistance in the 2017/18 school year are listed in the table below. Please note that the AFI is not the average monthly income of a family.

2017/18 school year – AFI Groups between (HK\$)	Level of Assistance
0 – 38,603	Full*
38,604 – 74,644	Half
> 74,644	Ineligible

\* AFI thresholds for full level of assistance for 3-member and 4-member families are \$46,733 and \$42,995 respectively in the 2017/18 school year.
